GENERAL INFORMATION – ATV RIDERCOURSE

Protective Equipment: A CSA approved helmet, eye protection (shatter resistant goggles or face shield), leather gloves, long sleeve shirt or jacket, over-the-ankle shoes or boots (no high heels or sneakers) and long sturdy pants are required.

Lunches: The lunch break is only 30 minutes; bring a snack and plenty to drink.

Be Prepared: Learning to ride an ATV safely demands alertness. Get a good night's sleep before the day of the course and eat a good breakfast. ATV riding is a physical activity. If you are taking any medication or are under a doctor's care, consult your doctor before enrolling. Do not use drugs or alcohol 24 hours before or at any time during the course.

Be Punctual: Arrive at the course site at least 30 minutes early so you will have enough time to unload your ATV, have it inspected and prepare yourself for the class.

The class is scheduled for _____ and will meet from _____ to _____.

If you have any questions or need more information, call 826-2877 or 826-7275.
